Competitive, Interclub and T & T

Our summer training is flying by and our Competitive and Interclub Athletes are learning tons of new skills. We have many new members on our teams everyone seems to be enjoying the challenge. I have heard some are a little sore! We have 2 more weeks of summer training before we begin our regular season training on September 4th.

We are in the planning stages of our meet to Las Vegas that will be attended by our Comp 1,2,3 and Interclub A & B Groups. We are waiting to find out how many gymnasts will be going and will be having a meeting in the next few weeks to discuss the registration process and details for the meet. We are also registering for the competitions for all teams for the upcoming season. Once we receive confirmation that we have been accepted to each meet a Calendar of Events will be posted on the bulletin board and also emailed to all gymnasts.

Enjoy the rest of the summer!

Summer Camp and Recreational Update

We are already half way through week 7 and we are preparing for our last 2 weeks of Summer Camps. Our Coaches have been rocking the Camps with their enthusiasm and spirit and our

gymnasts are loving it! Our month of August has been filled to the brim with campers and we have members flocking to our Instagram page to catch up on our weekly themes and all the fun happening at HHGC! We encourage everyone to stay updated by checking out our Instagram and Facebook page.

Registration for our Fall programs are in full swing and we have some programs that are now full. Classes will begin Saturday September 7th. Registration and information is available from our website and if you have any questions on our programs please don't hesitate to call or stop by the office.

Hope to see you at our Open House August 27th!
